Santa's Street Style

Christmas Shopfront Funded Promotion

It was so good last year we're doing it again - Santa's Street Style is back!

The Avondale Business Association is excited to once again spread some Christmas cheer – let's make Avondale the merriest of town centres in West Auckland!

With support from the Whau Local Board, we're offering members a chance to dress up your shopfronts for the festive season — and we've got funds available to help make it happen.

Let's brighten up Avondale together and bring the Christmas spirit to life across our town centre!

Simply complete the form below to submit your application to receive funds

Funds must be used for Christmas decorations on your shopfront, and all displays need to be up by 1st December – but earlier is good too! . We'll be taking photos to feature on our social media and community channels - a great way to show off your festive style and attract more customers!
