

The Street Pride Programme

Would you like to give your shop front a bit of TLC, but don't have the funds to get started. The Avondale Business Association would like to assist with getting these projects moving forward.

The Avondale Business Association (ABA) has set aside funds to be spent each year on street facing renovations. These include but are not limited to:

1. Signage Upgrades
2. Outdoor painting
3. General Maintenance
4. Purchase of outdoor fixtures (seating, planter boxes, etc.)

With this fund, we hope to help businesses and landlords kickstart much-needed improvements by offering **up to 50% of the costs**.

Terms & Conditions

- The works can only be applied to premises that pay the Business Improvement District Targeted Rate within Avondale (if in doubt, when you apply, we can check for you).
- Work must be visible from the road.
- Contributions are made at the discretion of the subcommittee and application is no guarantee of funds. There is limited budget each year for this programme; once funds are exhausted applications will be put on hold or cancelled.
- Funds will only be considered in advance of work. Please let us know if there is a time restriction to your request.
- The Association may request additional funding from your body corporate (if applicable) or may request additional funds from other organisations (Council/Trusts etc.).
- The Association holds no responsibility for work completed. Any warranty requests must be sent to the contractor involved.
- Any building assets that we contribute towards remain the property of the applicant.
- **Quality Control:** For the sake of quality control and in the interest of raising the bar in Avondale, the subcommittee may request to view any artwork, e.g. for signage, in advance to ensure it is of high enough high standard.

How to apply

1. Completed the attached form and send to the manager along with any plans or quotes provided.
2. The request will go before the Maintenance Subcommittee who will decide on what funds, if any, we can contribute. The Manager will get in touch to let you know the outcome of the request.
3. If you accept, funds will be paid direct to the contractor.
4. If you do not proceed with the work as described, we may request for part or all of the funds to be returned. In this case, any costs incurred by us in seeking the return of monies will be met by the business owner.

Street Pride Fund Application Form

Name _____

Business Name _____

Business Address _____

Description of Works Requested

If there are any time constraints to the work being requested, please fill in the below with the date that you will need a response by. Otherwise leave empty if you're happy with the request being put on hold in the event of an oversubscription: ___/___/2021

Please circle as applicable

I own the building/land	YES / NO
I have permission from the landlord to request the works above	YES / NO / N/A

Please send applications to:
